## EQUINE RESCUE LEAGUE

---

---

October 13, 2020

At ERL, the health and safety of our staff, volunteers and families is of paramount importance to us. As such, we are following CDC guidance and implementing the following changes due to the COVID-19 virus.

⊘ Effective immediately and until further notice we are not accepting new volunteers or visitors to the property.

➔ If you are an interested adopter, please call the office at 540-822-4577 and speak to our Farm Manager, Cheryl Rogers, or by email at [bubbasays2@aol.com](mailto:bubbasays2@aol.com). You can also find out more information by visiting our website at [www.equinerescueleague.org](http://www.equinerescueleague.org).

➔ Current volunteers may continue to report to the barn for shifts. We have put in place heightened cleaning procedures of restrooms, door handles, table surfaces, equipment, etc. However, if you are sick in any way OR have a fever and/or cough, difficulty breathing, have traveled outside of the country in the last 14 days, have had close contact with a confirmed or probable case of COVID-19 PLEASE STAY HOME for the protection of all.

If you are a current healthy volunteer and would like to help us out more, please reach out to Cheryl and let her know. With 27 equines and limited help, there is no shortage of work at Promise Kept Farm.

➔ **There will be no Fall Open House this year.**

Please stay tuned to our social media for updates.

We appreciate your continued support and understanding during this difficult time.

Stay safe and take care!

*The Equine Rescue League is a non-profit organization that was established in 1990 to rescue and rehabilitate abused horses, ponies, donkeys and mules, provide educational services regarding equines to the local community and provide shelter, rehabilitation and adoption services for those animals in need.*
